

Whether being used to highlight architectural elements, to accent specific features of an environment, or for use as task lighting, ELEMENT Merge recessed track and its FreeJack adapter allows any Tech Lighting low-voltage head or pendant to be mounted from the ELEMENT Merge system making it remarkably versatile. FreeJack connector locks into ELEMENT Merge bus channel; Tech Lighting FreeJack pendants or heads simply screw into the connector.

Construction and features

- Cast-aluminum construction
- Snap-in, locking mechanism
- 12V

Accepts TechLighting low-voltage FreeJack heads or pendants
